product overview - zf - zf marine supershift2 is a mechanical / hydraulic clutch control system operated by solenoid valves. the system incorporates standard components only and does not require electronic controls. this insures the maximum possible durability and dependability. **oil filter data - zfmarinepropulsion** - marine transmission type zf part number old zf p/n oil filter data zf 325 family with mb/eb-30/31 series lube filter 3213-308-019 spin on filter zf 325 family with mb/eb-30/31 series suction strainer 3213-206-003 suction filter; gasket 3213-306-006 **technical data sheet - zf 63 - marine transmissions** - zf 63 technical data sheet zf 63 series product details description reverse reduction marine transmission with hydraulically actuated multi-disc clutches suitable for high performance applications in luxury motoryachts, sport fishers, express cruisers etc robust design also withstands continuous duty in workboat applications fully works tested, reliable and simple to install **technical data sheet - zf w325 - marine transmissions** - zf w325 technical data sheet zf 325 series product details description robust design also withstands continuous duty in workboat applications fully works tested, reliable and simple to install design, manufacture and quality control standards comply with iso 9001 reverse reduction marine transmission with hydraulically actuated multi-disc clutches **technical data sheet - zf 280-1 a - simplicity marine** - zf 280-1 a technical data sheet zf 280 series product details description robust design also withstands continuous duty in workboat applications fully works tested, reliable and simple to install design, manufacture and quality control standards comply with iso 9001 compatible with all types of engines and propulsion systems, including waterjets and surface- piercing propellers, as **zf 301 a - marine parts express** - zf can accept no liability for personal injury, loss of life, or damage or loss of property due to the failure of the buyer to specify a torsional limit stop. zf selects torsional couplings on the basis of nominal input torque ratings and commonly accepted rated engine governed speeds. consult zf for **zf 285 a-descrip - seaboard marine** - contact your nearest zf sales and service office for ratings applicable to gas turbines, gasoline (petrol) engines, as well as left hand turning engines, and marine transmissions for large horsepower capacity engines. ratings apply to marine transmissions currently in production or in development and are subject to change without prior notice. **marine propulsion systems - marine parts express** - contact your nearest zf sales and service office for ratings applicable to gas turbines, gasoline (petrol) engines, as well as left hand turning engines, and marine transmissions for large horsepower capacity engines. ratings apply to marine transmissions currently in production or in development and are subject to change without prior notice. **aftersales- service - zf** - fix it right - the first time. zf marine propulsion systems has the factory trained personnel, technical resources and parts inventory to provide your business with unparalleled support. with our competence centers and service network zf marine propulsion systems is equipped to service all zf marine products operated worldwide. **marine propulsion systems - sistemas de propulsion** - zf marine group your propulsion system partner zf marine is the marine propulsion systems business unit of the zf group - a multi-billion, international conglomerate specializing in drive-line and chassis technology for the automotive industry, with headquarters at zf friedrichshafen ag, germany. **zf 286 a-descri - perkins engines** - contact your nearest zf sales and service office for ratings applicable to gas turbines, gasoline (petrol) engines, as well as left hand turning engines, and marine transmissions for large horsepower capacity engines. ratings apply to marine transmissions currently in production or in development and are subject to change without prior notice. **zf 63 iv-descri - seaboard marine** - contact your nearest zf sales and service office for ratings applicable to gas turbines, gasoline (petrol) engines, as well as left hand turning engines, and marine transmissions for large horsepower capacity engines. ratings apply to marine transmissions currently in production or in development and are subject to change without prior notice. **table of contents - marine, boating, and recreational ...** - table of contents this selection guide is intended to help the reader select an appropriate zf marine transmission. contact zf for assistance in determining an appropriate product if the application requirements are unusual or unique. please read the applicable comments that apply to the product selected.
